

A red sports car, likely a Ferrari, is shown from a front-quarter perspective, driving on a road. The car is in motion, with a blurred background suggesting speed. The lighting is bright, highlighting the car's sleek design and vibrant color. The text "THE CARDIOLOGY CONSORTIUM:" is overlaid in the top left corner in a bold, orange, sans-serif font.

**THE CARDIOLOGY CONSORTIUM:**

**IT'S MUCH MORE THAN INSURANCE...**

As a member of the Cardiology Consortium, you are invited to partake in the unique opportunity of driving a 513hp Lamborghini Gallardo. Karl Hannum and I, along with Suburban Lamborghini of Troy, have arranged this special event for Consortium members and their lucky guests.

The Lamborghini Event will take place on September 6, 2008, between 10:00 a.m. and 4:00 p.m. at The Ken Lingenfelter Collection/ Metropolitan Motor Sports. The Collection is one of the most prestigious privately owned car collections in the world, including vehicles on display from Lamborghini, Ferrari, Bentley, Rolls Royce and Bugatti. It is located at 7819 Lochlin Drive in Brighton, Michigan 48116.

We ask that you please bring with you another cardiologist who is not yet a member of the Cardiology Consortium to share in the fun and enter a raffle for honorary membership for the day- and enjoy driving a Lamborghini. Space is limited so please respond immediately by email to [khannum@sjpclaw.com](mailto:khannum@sjpclaw.com) or call 248-613-7322 to reserve your time behind the wheel of one of the most exciting sportscars ever produced.

Felice automobilismo!
